

School Counseling Students
Application for One Time Summer Practicum

Please complete the following thoroughly and provide evidence of your need for applying to a Clinical Mental Health Counseling practicum while enrolled in School Counseling. Your response will be evaluated by Counseling Faculty. Please understand that only a few CMHC practicum experiences are possible and that you may not receive approval. Bring your completed questions to the counseling office by the deadline.

1. What are the benefits to you specifically of completing a CMHC Counseling Practicum? In what way will working in a community/agency help in your training?
2. When did you first hear about this possibility? Be specific.
3. Explain why you are applying now?
4. If you are not approved, what are your plans, including start time/date and type of placement, for completing practicum?
5. Why should you be chosen over other applicants for this experience?
6. Have you chosen a CMHC site for your practicum experience. Have you contacted the site? Name of contact, if so.

Please include any supporting materials for your request, including letters of support from faculty, etc.
